

SPECIFICATION AMENDMENTS

Please amend the text of the application by entering the new or replacement paragraph(s) or section(s), or by canceling paragraph(s), as follows. In any replacement paragraph, added text is underlined and deleted text is ~~stricken through~~ or [[double bracketed]], relative to the immediate prior version.

On page 4, beginning at line 1:

Each end of each polytunnel 10 is provided with a relatively rigid end frame structure including a pair of end frames 16, this structure being of the type described in co-pending British Patent Application No. 0210091.5, published as WO 2003/092358 and GB 2388127, the content of which is are incorporated herein by reference.
